

Single Operator

The rear operator layout combined with independent tilting bin rack allows for one person to manage all harvesting tasks from a single location.

Visibility & Controls

The rear positioned cab is designed to provide the operator with increased visibility of the harvesting operation. All controls are protected and mounted within easy reach to the left of the driver.

Tilting Bin Rack

Dual hydraulically independent telescoping rack supports allow the bin rack to tilt forward to pick up empty bins and tilt back to off-load full bins.

Power Without Compromise

Equipped with a 125 HP John Deere Final Tier 4 engine and three Poclain MGE-05 radial piston hydraulic motors to provide maximum durability and performance with minimal maintenance.

Bolt-on Deck Panels

Deck panels provide easy in-field patching and replacement for only the sections that are damaged, reducing down-time and cost.

Flat Belt Conveyors

The 24" wide flat conveyor and 30" wide flighted elevator belt eliminate the use of chain for simple and quiet operation.

WSE WR-1000 RECEIVER

STANDARD FEATURES

- John Deere 4045HFC04 Final Tier 4 Engine
 - 125 HP @2200 RPM
 - 396 lb-ft @ 1500 RPM
- Large custom radiator, oil cooler, & charge air cooler package
- Frame integrated hydraulic & diesel fuel tanks
- Front & rear independent steering
- Three Poclain MGE-05 high pressure direct drive radial piston hydraulic motors
- 2-Speed ground drive system
- 33 x 15.5 14-ply turf tires
- Three wheel parking brakes
- Fold-up & independent tilting bin rack for remote bin management & easy transport
- Bolt-on deck paneling
- Smooth top flat belt conveyor & flighted elevator with adjustable speed
- Compact elevator blower fan
- Rear cab with seat suspension
- LED lights

OPTIONAL FEATURES

- Auto centering rear axle
- Aggressive tread directional skid steer tires
- Custom flat belt top
- Automatic reversing engine fan

DIMENSIONS

- Overall Length:** 32' 2" (9.80m)
- Overall Width**
 - Harvest: 12' 5" (3.78m)
 - Transport: 11' 1.3" (3.38m)
- Cab Height:** 7' 3.4" (2.22m)
- Wheel Base:** 15' 1.3" (4.60m)
- Rear Track:** 4' 3" (1.29m)
- Deck Length:** 25' 7" (7.80m)
- Deck Height**
 - Retracted: 6' 8.3" (2.04m)
 - Extended: 8' 7.7" (2.63m)
- Conveyor Width:** 2' 6" (0.76m)
- Elevator Width:** 2' (0.61m)
- Bin Rack Length:** 25' 9.7" (7.87m)
- Max Trailer Load Angle:** 10°
- Diesel tank capacity:** 50 Gal (189 L)
- Hydraulic tank capacity:** 39 Gal (147L)
- DEF tank capacity:** 9 Gal (34L)
